Minutes – The minutes from the July 23 meeting were approved.

Annual Contribution – The Committee approved a donation of \$500 each to the Library and the Food Pantry.

Social Committee – Jean Bubriski reviewed options for celebrating the Ridge's 125 Anniversary in 2026. The events were received positively and discussion focused on dates and locations for activities. Jeannie asked Board members for volunteers to help with the Ridge's 125th anniversary next summer. She will also be sending out a request to the membership, asking specifically for help flushing out and executing the plans. Her presentation notes are attached.

Roads – Phil said no meaningful road work has occurred recently but that maintenance on the sides of the roads will start soon. He will follow up on mowing the side of Willows. No brush pickup is scheduled this year but it was proposed to contact Ed Sheerer if he could resume the clearing in the future.

Other Items –

- Marianne asked if the Board had a position on assisting members in promoting their commercial interests. We agreed that we would like to encourage residents in their efforts but that the Board should not be directly endorsing a particular enterprise. The bulletin board serves this purpose and is always available for members and the general public.
- The Centennial House is for sale.

The meeting adjourned at 9:27 PM
